

Antropology and Enviromental Communication

**MASTER PROGRAM OF ENVIRONMENTAL SCIENCE
SCHOOL OF POSTGRADUATE STUDIES
DIPONEGORO UNIVERSITY**

A Module Handbook or collection of module descriptions that is also available for students to consult should contain the following information about the individual modules:

Module design	Antropology and Enviromental Communication
Module level, if applicable	
Code, if applicable	CIL-2-2-731
Subtitles, if applicable	
Courses, if applicable	
Semester(s) in which the module is taught	2 nd Semester
Person responsible for the module	Dr. Amirudin, M.Si.
Lecturer	Dr. Yanuar Luqman, S.Sos. M.Si
Language	<i>Indonesian and English</i>
Relations to curriculum	
Type of teaching, contact hours	<i>Lecture: 60 minutes Q&A: 10 minutes Discussion: 10 minutes Presentation: 10 minutes</i>
Workload	<i>(Estimated) workload, divided into contact hours (lecture, exercise, laboratory session, etc.) and private study, including examination preparation, specified in hours,¹ and in total.</i>
Credit points	<i>2 credits</i>
Requirements according to the examination regulations	<i>Minimum attendance of lectures 75%</i>
Recommended prerequisites	<i>eg existing competences in...</i>

¹ When calculating contact time, each contact hour is counted as a full hour because of the organization of the schedule, moving from room to room, and individual questions to lecturers after the class, all mean that about 60 minutes should be counted.

Module objectives/intended learning outcomes	Students are expected to be able to explain the relationship between culture, communication, humans and ecology, and how cultural approaches are used in studying environmental issues.
Content	This course explains the relationship between culture, humans, communication, ecology, and how cultural approaches are used to study environmental issues. Besides that, it also mentions environmentalism as a contemporary phenomenon by showing the contribution of anthropology and communication to the environmental discourse debate.
Study and examination requirements and forms of examination	<i>Open book and close book</i> <i>Multiple choice, case study, interview, practice</i>
Media employed	<i>Powerpoint, youtube, website</i>
